

Belonging, Believing, Building to Being the Best we can Be for ourselves and others

Long Term Plan for PE - Taught Annually

Our Long-Term Plan for PE starts in our Early Years and progressively builds on skills set out by the National Curriculum – please see our progression of skills document. We use PE Planning SOW and lessons Staff Room | PE Lesson Plans & Activities From PE Planning

We have thought carefully about our Curriculum to ensure it prepares children for the next stage in their schooling as they move on to Secondary School, choosing specific games that complements the main secondary school's curriculum that our children feed into. All programmes of study are threaded through each year group so children will all be learning the same topic at the same time with skills progressively woven through. This also allows for children to take part in intra house competitions at the end of each topic. Our curriculum is also married to the Burford Partnership programme of events which we proudly take part in each year. Key Stage 2 children take part in swimming each year which focuses on water safety and competency. Each year we start with OAA (Outdoor and Adventurous Activities) as we believe the skills taught within this programme of study (working co-operatively, listen skills, following instructions, teamwork) provide a good foundation for the rest of the curriculum and beyond.

Foxes EYFS	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6
Topic 1	Me and Myself	Movement and Development	Working with others	Ball skills	Dance	Fitness
Topic 2	Forest School	Forest School	Forest School	Forest School	Forest School	Forest School
