YEAR 6 SATS 2027: ESSENTIAL PARENT GUIDE

-  **What is Tested?**
- **Written Exams:** Reading, Maths, Grammar, Punctuation, and Spelling.
- **Teacher Assessments:** Writing and Science are **not** exam-based. They are graded by the classroom teacher using the child's work from throughout the year.
-  **Understanding the Scores**
- Results are returned to schools in **mid-July 2027**.
- Your child will receive a **Scaled Score**.
- A score of **100+** means they have met the government's **Expected Standard** for the end of primary school.

YEAR 6 SATS 2027: ESSENTIAL PARENT GUIDE

-
-  **How You Can Help At Home**
 - **Keep it calm:** Reassure them that SATs simply show what they can do; they are not something to fear.
 - **Master the basics:** Practice quick-fire times tables and daily reading.
 - **Prioritise health:** Ensure they get plenty of sleep, a good breakfast, and a water bottle every morning of exam week.

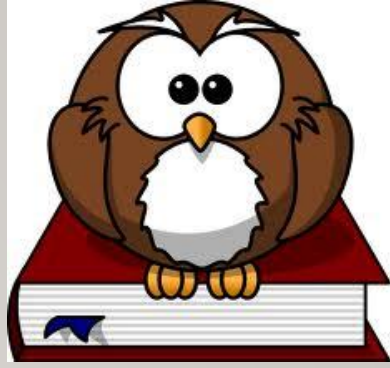

SECONDARY SCHOOL

Parents need to choose their child's secondary school in Year 6, when their child is turning 11 years old. The application process involves submitting a form to the Local Education Authority stating which secondary school the child would prefer. The application deadline is usually by 31 October, and councils will send offers of school places by 1 March. If the child is not offered a place at any of the schools applied for, the local council must provide a place at another school, usually the nearest school with available places.

- **How do parents accept a school offer?**
- In **England**, the offer letter or email you receive will explain what you need to do next.
- You may need to accept the place by a given deadline. If you miss that, the offer could be withdrawn and the place given to someone else.

COMMUNICATION
