

Transition Week!

Although we are not all currently in school together I am very excited about having you all in Hegdehog class after the Summer Holidays.

This week I have created 3 tasks for you to complete so that I can get to know you all a little bit more before we become Team Hedgehog in September.

Task 1—Hobbies

- Create a poster to share information about your favourite hobby with me. You could include pictures, information about the hobby, why you enjoy it, when you do it.

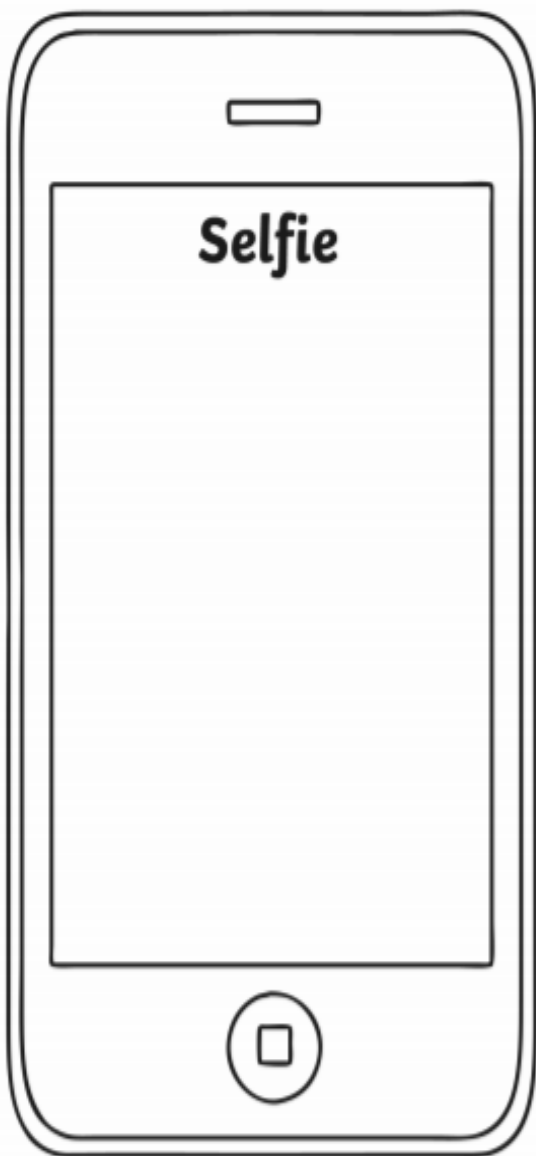

Task 2—Home

- Create a piece of art showing me your home - it could be a drawing, picture, collage or painting.
Include everyone that lives in your house, you could include pets and other family members that often come to visit

Task 3—All about me

- Complete the all about me activity sheet on the next page .
Add as much detail as you can

I hope that you enjoy completing the activities. I look forward to getting them back and learning more about all of you!

Name: _____

I am **years old.**

Things I love:

Subject:

Food:

Colour:

Book:

Hobby:

Three words that describe me:

1. _____

2. _____

3. _____
