Learning together with Respect, Friendship and Perseverance

Newsletter 12 – 4th March 2022

Dear Parents and Carers,

World Book day was celebrated well and we were all impressed by the range of book characters represented. I hope you can enjoy using your World Book Day vouchers towards purchasing a great book for your children to enjoy.

This term our value to reflect upon is Justice. You will find a home- school values sheet attached with this newsletter so you can explore this further at home if you wish.

It has been brought to my attention that there is a new video game circulating called Poppy's Playtime. Please use this link to read the parental guidance on this game:

<https://www.imdb.com/title/tt15764858/parentalguide>

It does state that it can be scary and, although the game has a 12 rating, it appears some children may have viewed the content. As we have several children called Poppy in school I would not want any of this content, or references to this content, mentioned at school and causing upset amongst our children. Please do let your child's class teacher know if you are concerned that your child has become upset by this.

I hope you have a good weekend.

Carol Phillips
Headteacher

Do you feel you need to speak to the Headteacher?

Please see your child's class teacher in the first instance and if required, an appointment with Miss Phillips can be arranged
