

Strong Home Learning Experience to support children's learning and development

Better Health Start for Life

A new campaign has been launched to encourage parents and carers to chat, play and read more with their children to develop their communication, language and literacy skills before starting school. For further information about the campaign click [here](#)

50 Things To Do Before You're 5 App

50 Things To Do helps parents develop their home learning environment, suggesting a wide range of low-cost and no-cost local activities. The 50 Things approach improves early language and literacy, motor skills and resilience. Find out more [here](#)

Parents play a crucial role in supporting their children's learning, and levels of parental engagement are consistently associated with better academic outcomes (Education Endowment Foundation 2018) [Working with Parents to Support Children's Learning | EEF \(educationendowmentfoundation.org.uk\)](#)
